## The Spirit of Progress

It has always been the desire of the Schuffner Queen Funeral Home to offer the hest funeral service to be found anywhere.

In keeping with this spirit of progress we have installed Strang Electric Air Conditioning and Comfort Cooling and we offer the use of our air conditioned Chapel, rest and reception rooms for services without charge.

There are few homes in this country where you can get this welcome and beneficial service. The air is cooled, dehumidified, purified and washed. There is a complete

Meet your friends and relatives here before the services. There is no oppressive heat to bother you.

What is holding. Mr. Hopkins bark now is mainly rganization. For some weeks the active base of the program has been trying to organize a staff of works supervisors over the country.

All state supervisors receiving more then \$5.000 shalter must be confirmed by the senate Loise quently the senaters had to be consisted about those appolices. Many small delays developed du conflicts between senators and hotween senators and governors in some cases men suggested by them were rejected by Hapkins. I uput ital observers now feel that he has the nucleurs of a fairly competent. the nucleus of a fairly competent
